A LONG TIME AGO IN BETHLEHEM

JESTER HAIRSTON

Bb
Long time ago in [F] Bethlehem,
So the [G] Holy Bible [C] say;
Mary's boy child [F] Jesus Christ

Chorus
[C] Hark now [F] hear the [G7] angels [C] sing,
And [C] man will live [F] forever more,

That [C] man will live [F] forever more,

While shepherds watched their flocks by night,
Them see a bright new shining star,
Them hear a choir sing,
The music seemed to come from afar.

Chorus

Now Joseph and his wife Mary,
Come to Bethlehem that night,
Them find no place to lay she child,
Not a single room was in sight.

By and by they find a little nook,
In a stable all forlorn,
And in a manger cold and dark,
Mary's little boy was born.

Chorus

Long time ago in Bethlehem,
So the Holy Bible say;
Mary's boy child Jesus Christ
Was born on Christmas day.

A NEW COMMANDMENT

A new commandment I give unto you
That you love one another as I have loved you
By this shall all men know that you are my disciples,
If you have love one for another.

If you have love one for another.
Above all powers, above all kings
Above all nature and all created things
Above all wisdom and all the ways of man
You were here before the world began

Above all kingdoms, above all thrones
Above all wonders the world has ever known
Above all wealth and treasures of the earth
There's no way to measure what You're worth

Crucified laid behind a stone
You lived and died rejected and alone
Like a rose trampled on the ground
You took the fall and thought of me above all

AMAZING GRACE

D7    G        D Em  C  G
Twas grace that taught my heart to fear
D7  G        D7
And grace my fears relieved.

How precious did that grace appear

Bright shining as the sun
G        C  G
We've no less days to sing God's praise
D    G      D7    G
Than when we've first begun
Amazing grace! How sweet the sound
That saved a wretch like me.
I once was lost, but now am found,
Was blind, but now I see.
Twas grace that taught my heart to fear
And grace my fears relieved.
How precious did that grace appear
The hour I first believed.
Through many dangers, toils and snares
I have already come
Tis grace hath brought me safe thus far,
And grace will lead me home.
When we've been there ten thousand years
Bright shining as the sun
We've no less days to sing God's praise
Than when we've first begun.
Blessing and Honour, Glory and Power

Be unto the Ancient of Days

From every nation all of creation

Bow before the Ancient of Days

Every tongue in heaven and earth

Shall declare Your glory

Every knee shall bow at Your throne

In worship

You will be exalted, O God

And Your kingdom shall not pass away

O Ancient of Days

Your kingdom shall reign over all the earth

Sing unto the Ancient of Days

For none can compare to Your matchless works

Sing unto the Ancient of Days

Em7      A7            D
So much more than anything
I tell you the truth,
if you do not doubt
But believe, you will receive
What you ask in prayer
You can say to the mountains
That stand in the path of your holy King
Get out of my way,
I command you in Jesus name
Move out of this path and into the sea
Anything anything, anything that you need
You will receive, if you believe
In prayer
But don’t lean on your own understanding
and in all your ways acknowledge him
He fulfils the words he has given
If we trust in him
Never doubting in his love
Away in the manger, no crib for a bed
The little Lord Jesus lay down his sweet head
The stars in the sky look down where he lay
The little Lord Jesus asleep on the hay

The cattle are lowing, the Baby awakes; But little Lord Jesus, no crying He makes; I love Thee, Lord Jesus, look down from the sky; And stay by my cradle 'til morning is nigh.

Be near me, Lord Jesus, I ask Thee to stay, Close by me forever, and love me, I pray. Bless all the dear children in Thy tender care And fit us for Heaven to live with Thee there.

Away in the manger, no crib for a bed, the little Lord Jesus laid down His sweet head; the stars in the bright sky looked down where He lay; the little Lord Jesus asleep on the hay.

There is a place of commanded blessing, where brethren in unity dwell, a place where anointing oil is flowing, where we live as one.

You have called us to be a body, you have called us as friends, joined together in the bond of the Spirit, unto the end.

Father we join with the prayer of Jesus, as you are, so let us be one, joined together in unity and purpose, all for the love of your Son.

We will break dividing walls, we will break dividing walls, we will break dividing walls in the name of your Son. We will break dividing walls, we will break dividing walls, and we will be one.

When all the saints join in one song,
Do you not know? Have you not heard? The LORD is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no-one can fathom. He gives strength to the weary and increases the power of the weak. Even youths grow tired and weary, and young men stumble and fall; but those who hope in the LORD will renew their strength. They will soar on wings like eagles; they will run and not grow weary, they will walk and not be faint. (NIV)

Hallelujah for the Lord our God the Almighty reigns
Hallelujah my Father,

For giving us your Son;

Sending him in to the world

to be given up for men,

Knowing we would bruise him

And smite him from the earth.

Hallelujah my Father,

In his death is my birth.

Hallelujah my Father,

In his life is my life.
Have thine own way, Lord,
Have thine own way,
Thou art the potter
I am the clay.
Mould me and make me,
After Thy will,
While I am waiting
Yielded and still

Have thine own way, Lord
Have thine own way
Search me and try me
Master today.
Whiter than snow, Lord.
Wash me just now,
As in Thy presence
Humbly I bow.

Have thine own way, Lord,
Have thine own way;
Wounded and weary,
Help me I pray.
Power, all power,
Surely is thine;

Touch me and heal me,
Saviour divine.

Fill with Thy Spirit
Till all shall see
Christ only, always,
He brought me into his banqueting table And his banner over me is love.

He brought me into his banqueting table And his banner over me is love.

He brought me into his banqueting table And his banner over me is love.

His banner over me is love

God loves you and I love you, and that's the way it should be.

God loves you and I love you, and that's the way it should be.

He's building his church on a firm foundation.

And his banner over me is love

He lifts me up into heavenly places,

And his banner over me is love.

Jesus is the rock of my salvation,

And his banner over me is love

I'm safe and secure in the rock of all ages

And his banner over me is love

His banner over me is love

wholly available.
I will serve the Lord.

The fields are white unto harvest
But O, the lab’rs are so few,
So Lord I give myself to help the reaping
To gather precious souls unto you.

The time is right in the nation
For works of power and authority;
God’s looking for a people who are willing
To be counted in His glorious victory.

As salt are we ready to savour,
In darkness are we ready to be light,
God’s seeking out a very special people
To manifest His truth and His might.

How sweet the Name of Jesus sounds
In a believer's ear
It soothes his sorrows, heals his wounds
And drives away his fear

It makes the wounded spirit whole
And calms the troubled breast
'Tis manna to the hungry soul
And to the weary rest

Dear Name! the rock on which I build
My shield and hiding place
My never-failing treasury, filled
With boundless stores of grace

Jesus, my Shepherd, Husband, Friend
My Prophet, Priest, and King
My Lord, my Life, my Way, my End
Accept the praise I bring

Weak is the effort of my heart
And cold my warmest thought
But, when I see Thee as Thou art
I'll praise Thee as I ought

Till then I would Thy love proclaim
With every fleeting breath
And may the music of Thy Name
Refresh my soul in death

And I will raise him up on the last day.

The bread that I will give,
Is my flesh for the life of the world
And he who eats of this bread,
He shall live forever, he shall live forever.

Unless you eat
Of the flesh of the Son of man
And drink of his blood, And drink of his blood
you shall not have life within you.

Yes, Lord we believe
That you are the Christ,
The Son of God,
Who has come into this world.

Jesus
Jesus bids us shine with a clear, pure light
Like a little candle burning in the night
In this world of darkness, so let us shine
You in your small corner, and I in mine.

Jesus bids us shine first of all for him
Well he sees and knows it if our light grows dim
He looks down from heaven to see us shine.
You in your small corner and I in mine.

Jesus bids us shine then for all around
Many kinds of darkness in the world are found
Sin and want and sorrow so you must shine
You in your small corner and I in mine.

Jesus, we celebrate Your victory

Jesus, we revel in Your love

Jesus, we rejoice You've set us free

Jesus, Your death has brought us life

It was for freedom

That Christ has set us free

No longer to be subject

To a yoke of slavery

So we're rejoicing in God's victory

Our hearts responding to His love

His Spirit in us releases us from fear

The way to Him is open,

With boldness we draw near

And in His presence All darkness disappears

Our hearts responding to His love

As Adam did so I walk and pouring out my thoughts to you in prayer

And there in stillness I sip your cup and drink my peace with Thee

And when I wake Your songs of grace and love you sing to me

The words a lover whispers to his bride

So I respond with welcome arms, raising up my hands again to Thee

To worship Christ the only Son whose sacrifice now can clean

While shepherds watch their flocks by night,
them see a bright new shining star,
them hear a choir sing,
the music seemed to come from afar.

Now Joseph and his wife, Mary,
come to Bethlehem that night,
them find no place to born the child,
not a single room was in sight.

Chorus:
By and by they find a little nook in a stable all forlorn,
and in a manger cold and dark, Mary's little boy was born.
Long time ago in Bethlehem, so the Holy Bible say,
Mary's boy child, Jesus Christ, was born on Christmas Day.

MINE EYES HAVE SEEN THE GLORY

Mrs Julia Ward Howe (1819-1910)

Mine eyes have seen the glory of the coming of the Lord.
He is trampling out the vintage where the grapes of wrath are stored.
He has loosed the fateful lightning of his terrible swift sword.
His truth is marching on.

Glory, glory, hallelujah!

He has read a fiery gospel, writ in burnished rows of steel:
As he deals with my contemners, so with you my grace shall deal;
Let the hero born of woman crush the serpent with his heel,
Since God is marching on

In the beauty of the lilies Christ was born across the sea,
With a glory in his bosom that transfigures you and me
As he died to make men holy, let us die to make men free
While God is marching on

He is coming like the glory of the morning on the wave;
He is wisdom to the mighty, he is succour to the brave;
So the world shall be his footstool, and the soul of time his slave

Our God is marching on

I have seen him the watchfires of a hundred circling camps
They have builded him an altar in the evening dews and damps
I have read his righteous sentence by the dim and flaring lamps
His day is marching on

O for a thousand tongues to sing
my great Redeemer's praise,
The glories of my God and King,
The triumphs of his grace,
The triumphs of his grace,
The triumphs of his grace,
The triumphs of his grace!
Jesus! the name that charms our fears,
That bids our sorrows cease,
'Tis music in the sinner's ears,
'Tis life, and health, and peace,
'Tis life, and health, and peace,
'Tis life, and health, and peace,
'Tis life, and health, and peace.
He breaks the power of cancelled sin,
He sets the prisoner free
His blood can make the foulest clean;
His blood availed for me
His blood availed for me
His blood availed for me
His blood availed for me.

He speaks, and listening to his voice,
New life the dead receive,
New life the dead receive.
The mournful, broken hearts rejoice,
The humble poor believe
The humble poor believe
The humble poor believe

Hear him, ye deaf; His praise ye dumb
Your loosened tongues employ:
Your loosened tongues employ:
Ye blind, behold your Saviour come;
And leap, ye lame for joy
And leap, ye lame for joy
And leap, ye lame for joy.
My gracious Master and my God,
Assist me to proclaim
Assist me to proclaim,
To spread through all the earth abroad,
The honours of thy name
The honours of thy name
The honours of thy name.
O God of burning, cleansing flame:

Send the fire!

Your blood bought gift today we claim;
Send the fire today!

Look down and see this waiting host,
And send the promised Holy Ghost;
We need another Pentecost!

Send the fire today!

God of Elijah, hear our cry:
Send the fire!

And make us fit to live or die:
Send the fire today!

To burn up every trace of sin,
To bring the light and glory in,
The revolution now begin!

O, see us on your altar lay,
We give our lives to you today,
So crown the offering now we pray:

Send the fire today!

It's fire we want, for fire we plead:
Send the fire!

The fire will meet our every need:

Sent Him to die - I scarce can take it in.
That on the cross my burden gladly bearing,
He bled and died to take away my sin;

When Christ shall come with shout of acclamation
And take me home - what joy shall fill my heart!
Then shall I bow in humble adoration
And there proclaim my God how great thou art!

By night their voice goes out to foreign lands.

Break free the chains of foolish pride
For who can stand before God’s piercing eyes
Take off the veil that guards your mind
Let go of self, and leave your fears behind

There is a kingdom deep within
The soul of man God’s seat of glory
Open your hearts up to the King
Give him your life, crown him the Lord of all

The laws of God they do proclaim
The holy breach dividing God and man
Oh who can open up for us the way?
Christ alone who is both God and man

Throughout the age he will remain
The great I Am of eternity
His love for man will never change

While Jesus was at Bethany in the Home of Simon the Leper
A woman came to him with an alabaster jar filled with rare and valuable perfume
She poured it out upon his head while he reclined at the table
The fragrant scent arose, and it’s glory filled the room.

A holy fragrance sent by the Father,
Anoint his Son prepare for burial
Fragrant Spirit sent by the Father
Glorify your son before the world.

There were many people there that day and the disciples were among them.
Who saw the cost of her precious gift and were dismayed, at such waste.
“Could not this gift be sold” they cried “and the money given to the poor”
But when Jesus heard this is what he said “This fragrant gift was to prepare my body for death. “. . .This is a...

2000 years have come and gone as this age draws to a close
And the Lord will come again to take his bride home. Yes his glory shall be known!

Come Holy Spirit sent by the Father,
Glorify your son before the world.

Who sits on the throne
And unto the Lamb
Praise and glory, wisdom and thanks,
Honour and power and strength.

Be to our God forever and ever,
Be to our God forever and ever.

And we the redeemed shall be strong
In purpose and unity,
Declaring aloud,
Praise and glory, wisdom and thanks
Honour and power and strength.

Pumkin reds in the dead of night, your cauldron black
awakened by 6.00 am jets white webs weaving across
London sky.
Sometimes your thoughts I feel,
Sometimes your words I steal,
Sometimes....

The summer birds call above the leaves in rising hum of a
whistling breeze
All before the busy steps of man begins below.
Sometimes your eyes are seas.
Swim amongst the mysteries
Sometimes....

There is a parked car aside the rivers edge with skant dew
saying goodbye Bens shadow towering overhead casting
long and high.
Sometimes your waking sighs
are breathes of strength into my mind

Stand up! Stand up for Jesus!
Ye soldiers of the cross!
Lift high His royal banner
It must not suffer loss
From victory to victory
His army He shall lead
Till evil is defeated
And Christ is Lord indeed

(Connecting chord      E)

Stand up! Stand up for Jesus!
The trumpet-call obey
Forth to the mighty conflict
In this His glorious day!
Ye that are men, now serve Him
Against unnumbered foes
Your courage rise with danger
And strength to strength oppose

Stand up, stand up for Jesus, the solemn watchword hear;
If while ye sleep He suffers, away with shame and fear;
Where'er ye meet with evil, within you or without,
Charge for the God of battles, and put the foe to rout.

Stand up, stand up for Jesus, each soldier to his post
Close up the broken column, and shout through all host:
Make good the loss so heavy, in those that still remain
And prove to all around you that death itself is gain.

Stand up, stand up for Jesus, the strife will not be long
This day the noise of battle, the next the victor's son
To those who vanquish evil a crown of life shall be;
They with the King of Glory shall reign eternally.

The battle belongs to the Lord!

When your enemy presses in hard do not fear,
The battle belongs to the Lord!
Take courage, my friend, your redemption is near,

oh, oh, oh, (x 6)

I do believe in one Father God, maker of heaven and earth, seen and unseen.
I do believe Jesus Christ his Son, co-equal with the Father and begotten from eternity

*God of God*
*Light of Light.*
*Very God of very God*

*What do you believe?*
*What do you know?*
*Where have you come?*
*Where will you go?*

I do believe for mans salvation Gods only Son left his heavenly station and entered humanity.
I do believe in the mystery - the Word becoming flesh of the Virgin Mary, incarnate by the Holy Ghost

One way to the Fathers throne,
Through the life of Christ the Son,
*He was born a man that he might lead the Way*
He was crucified he suffered pain,
To meet the judgement for our sin
*He died Gods Son to open up the Way.*
The third day Jesus rose again
And ascended up into heaven
*He lives the risen Lord the only Way*
He will come again in glory
To judge the living and the dead
*He rules the King eternally the Way*

*Haka:* "For God so loved the world that he gave his only Son that whosoever believes in him shall not die but have eternal life"

*Chorus*

I do believe in the Holy Ghost, co-equal with the Father and the Son as the Lord of Hosts,
I do believe he is the giver of life, who with the Father and the Son is worshipped and glorified.

The water and the Spirit bring new life in God’s love
God gave up His only Son out of love for the world
So that all men who believe in him will live for ever
The light of God has come to us so that we might have salvation
From the darkness of our sins we walk into glory with Christ Jesus.
The Lord has given a land of good things,
I will press in and make them mine
I'll know his power I'll know his glory
And in his kingdom I will shine

With the high praises of God in our mouth
And a two edged sword in our hands
We will march right on to the victory side
Right into Canaans land.

Gird up your armour, ye sons of Zion,
Gird up your armour, let's go to war.
We'll win the battle with great rejoicing
And so we'll praise Him more and more
We'll bind their kings in chains and fetters
We'll bind their nobles tight in iron,
To execute God's written judgement.
March on to glory, sons of Zion.

There is a place of peace
Where the righteous dwell
By Grace through faith I enter in

The Lord is my shepherd
I shall not want
He makes me lie in pastures green
He leads me by the quiet stream

There is a place of peace
Where the righteous dwell
By Grace through faith I enter in

Yea though I walk through
The valley of the shadow of death
I shall fear no evil
I shall fear no evil
For Thy rod and thy staff they comfort me

There is the place of peace
Where the righteous dwell

Thou preparest a table for me
Before mine enemies
Thou anointest my head with oil
And my cup it overflows

There is a place of peace
Where the righteous dwell

Surely goodness and mercy
Shall follow me all the days of my life
And I shall dwell in the house of the Lord
Forever and ever

There is a place of peace
Where the righteous dwell
By Grace through faith I enter in

This is the day that the Lord has made
We will rejoice and be glad in it
As we lift up our hearts, our thoughts to God
It is so right that we give him praise
For the breath we share of life this day
And in the simple things now we find joy in you our God and King
Your praise we sing

For every single day of this life
We will bring our joy through the good and bad times
And even though there’s war in our minds
We will die to self and live for Christ
O be still my soul,
Find your joy in him my soul
(Repeat)
Let this day his love inside you grow

WALK IN THE LIGHT

Damian Lundy.
Arranged Andy Silver MP2

The Spirit lives to set us free,
Walk, walk, in the light
He binds us all in unity,
Walk, walk in the light.

*Walk, walk in the light.
Walk, walk in the light.
Walk, walk in the light.
Walk in the light of the Lord*

Jesus promised life to all,
Walk, walk in the light.
The dead were wakened by his call,
Walk, walk in the light.

He died in pain on Calvary,
Walk, walk in the light.
To save the lost like you and me,
Walk, walk in the light.

We know his death was not the end,
Walk, walk in the light.
He gave his Spirit to be our friend,
Walk, walk in the light.

By Jesus' love our wounds are healed,
Walk, walk in the light.
The Father's kindness is revealed,
Walk, walk in the light.

The Spirit lives in you and me,
Walk, walk in the light.
His light will shine for all to see,
Walk, walk in the light.

That every tribe and tongue will come
And bow before your holy throne
Declaring that you alone
Are worthy.

WHAT YOU WILL SOW
Andrew Panoho

E G A rif repeating

Chorus
What you will sow you will reap
The hand that feeds your soul is your master
This is the law, this is the law, this is the law

Liberal hearts and misguided minds
looking to the good in a fallen mankind
Hoping to evolve to the stars
but stuck in the mire of our selfish desires

Chorus

As a city without it’s walls courts destruction,
So a soul without the law it breeds rebellion
Bring a child into the world, and feed him all your love
But don’t forget to build respect and teach him right from wrong

Chorus

Society is rotten to it’s core
we have no basis to choose right from wrong anymore
By living our lives only for ourselves
We are slaves to our lusts and the powers of hell

Chorus

In life there is no such thing as a vaccum,
As a failure to rebuke is to welcome
Abdicate authority 'n someone else will take your place
The seeds we sow will one day grow revealing our mistakes

When the trumpet of the Lord shall sound, and time shall be no more,
And the morning breaks, eternal bright and fair;
When the saved on earth shall gather over on the other shore
And the roll is called up yonder I'll be there.

When the roll is called up yonder.
When the roll is called up yonder.
When the roll is called up yonder.
When the roll is called up yonder, I'll be there.

On that bright and cloudless morning when the dead in Christ shall rise,
And the glory of his resurrection share;
When his chosen ones shall gather to their home beyond the skies,
And the roll is called up yonder, I'll be there.

Let us labour for the Master from the dawn till setting sun
Let us talk of all his wond'rous love and care;
Then when all of life is over, and our work on is done,
And the roll is called up yonder, I'll be there.

If I ride on the wings of the dawn, you are....
F#    Abm    B    C#  (...you are there x2)
There..........

Praise the Lord our God the creator....
Praise the Lord our maker...

All the days ordained for me, were written down
In the pages of eternity.
Yes before the day of birth
You saw my form, being woven deep within the earth

And ohh my soul yearns, that I might learn
To live this life in your presence.
Come and satisfy each deep desire.
That I might worship in your presence.

When the waters cold chill your latest breath?

While your anchor holds within the veil.

Will your eyes behold through the morning light,
The city of gold and the harbour bright?
Will you anchor safe by the heavenly shore,
When life's storms are past for evermore?
